

Teaching and Learning of the Nemeth Braille Code

Contractions and Short-Form Words

Non-Use of Contractions

- In general, contractions or short-form words are not used in a word, part of a word, or abbreviation that precedes or follows a Nemeth symbol without a space between.
- In spatial arrangements, the words of fractions are not in contact with the fraction indicators, and contractions may be used.

Assignment

- P.50-54
- Do Frequency Distribution
- Do p. 49: 1-3
- Do p. 54: 1-15
