Roman Numeral Chart

Rule:

When Roman Numerals are written as capital letters, a single capital sign should me used before a single letter, and a double capital sign should be used before numerals containing two or more letters.
Uncapitalized Roman numerals of one or more letters should be preceded by the letter sign.

I = 1	V = 5	X = 10		L = 50	C = 100		D = 500	M = 1000
